## Risk Assessment Record

### Risk Assessment for the Rotary Clubs of Northampton in District 1070

**Event/Activity:** A joint Rotary Clubs swimming event called a Swimarathon.

**Date of Event:** Saturday 12<sup>th</sup> March 2016 at the Chris Moody Centre, Moulton College

**Assessment Undertaken** (date) – 13<sup>th</sup> May 2015

**Signed :** *J Evans*

**Assessment Review Date** – May 13<sup>th</sup> 2016

#### Description/Outline of Event/Activity –

The Swimarathon is based on a team event.

Six members to a team and each member swims individually at any one time in a relay system over a total team period of one hour.

The pool has five lanes which allows a maximum of five teams to swim at the same time.

#### Significant Hazards —

Normal swimming pool hazards in the water.

Slipping on wet surfaces surrounding the pool.

Lack of control/supervision by Lifeguards and Event Organisers.

#### Groups of people at risk –

Swimmers, Organisers, Helpers and Audience.

#### Existing controls (or where information can be found).

1. Swimarathon Poolside Information Sheet.

2. Rotary Swimarathon Manpower Rota.

3. Chris Moody Centre, Moulton College General Risk Assessment Ref CMC/SP/01 titled "Use and maintenance of swimming pool"

(The risks and dangers relevant to the Rotary Swimarathon have been evaluated and countered by reference to the detailed criteria provided by Chris Moody Centre, Moulton College in their comprehensive document on Swimming Pool Health & Safety so far as it is applicable to the organisation and management of such an event.)

#### Risks not adequately controlled and action needed –

None
