## What is a Swimathon?

The Swimathon is a fun event for teams of up to six people to swim in a relay, at their own pace for an hour to raise money for local charities and organisations.

The Swimathon is open to people of all ages and abilities. Teams may come from schools, sports clubs, youth groups, families, shops, voluntary organizations and local businesses.

All we ask is that each team member obtains sponsorship from friends and families. Whilst it is aimed at fund raising it is also intended to be fun and to increase awareness of the benefits of swimming and to encourage people of all ages to take up the activity, be it purely for personal pleasure and fitness or as a serious sport.

All entrants and teams will receive a certificate, a medal and a team photograph.
