BUSINESS SPONSORSHIP

Thank you for expressing interest in this worthwhile fun event.

The purpose is to organise a successful event and raise many thousands of pounds to be donated entirely to Local and Rotary Charities, helping those who need help, and providing a fun weekend for our local community.

This large and exciting event will be open to all comers. Teams of up to six swimmers may be entered by Schools, Sports Clubs, Youth Clubs, Businesses, Professions, and Other Organisations. Swimming teams will raise sponsorship money, but we are also looking to local organisations to sponsor the event - which is why we have approached your organisation.

We would invite three forms of Business sponsorship:

1) Gold Sponsors: £500 for two days of advertising on banners, names on swimming certificates, regular mention on Radio Northampton during the event and inclusion in the programme and Swimarathon Website for one year.

2) Silver and Bronze Sponsors: £250 or £100 for two days of advertising on posters, regular mention on Radio Northampton during the event and inclusion in the programme and Swimarathon Website for one year.

We will display your logo or advert on the Rotary Swimarathon web site for up to a year after the event.
